

RAHM SENSOR DEVELOPMENT INC., INC.
EQUITY AGREEMENT

This Equity Agreement (the “**Agreement**”) is made as of October 1st, 2025 (the “**Effective Date**”), by and between Rahm Sensor Development Inc., Inc., a Florida corporation (the “**Company**”), and Grantee, named below. Company hereby grants to the Grantee issuance of equity shares of the Company specified below (the “**Shares**”), upon the terms and subject to the conditions set forth in this Agreement. Company and Grantee may collectively be referred to herein as “**Party**” or “**Parties**”.

WHEREAS, the Company desires to commence business operations and desires to grant a certain amount of Shares to Grantee as consideration for Grantee’s contributions to the Company;

WHEREAS, Grantee has entered into a consulting/employment agreement to serve as an consultant/employee to the Company (the “**Service Agreement**”) under which Grantee has agreed to provide certain services to the Company subject to the terms and conditions thereof;

WHEREAS, as provided in the Service Agreement, the Company desires to grant an amount of Shares in lieu of, or in addition to, other consideration from the Company; and

WHEREAS, the Grantee understands that certain restrictions shall be imposed with regards to the transfer of Shares, in addition to certain vesting requirements (as defined herein).

NOW THEREFORE, in consideration of the premises and of the mutual agreements contained in this Agreement, the Parties hereto agree as follows:

1. **Issuance of Shares.** Subject to Board of Directors approval, and execution of the Service Agreement and this Agreement, the Company grants to Grantee a number of Shares of Company as follows:

Grantee:	David Yachabach
Date of Grant:	August 1 st , 2025
Number of Shares:	100,000
Vesting Commencement Date:	October 1 st , 2025

2. **Limitations on Transfer.** In addition to any other limitation on transfer created by applicable securities laws, Grantee shall not assign, encumber, hypothecate, pledge or otherwise dispose of any interest in the Shares except in compliance with the provisions below and applicable securities laws.

3. **Vesting Schedule.** Except as otherwise herein provided, the number of Shares that are vested (disregarding any resulting fractional unit) as of any date shall be determined as follows:

be requested by the Company or such underwriter. In no event, however, shall such period exceed 180 days plus such additional period as may reasonably be requested by the Company or such underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports or (ii) analyst recommendations and opinions, including (without limitation) the restrictions set forth in Rule 2711(f)(4) of the National Association of Securities Dealers and Rule 472(f)(4) of the New York Stock Exchange, as amended, or any similar successor rules. The Market Stand-Off shall in any event terminate two years after the date of the Company's initial public offering. In the event of the declaration of a dividend, a spin off, a unit split, an adjustment in conversion ratio, a recapitalization or a similar transaction affecting the Company's outstanding securities without receipt of consideration, any new, substituted or additional securities which are by reason of such transaction distributed with respect to any Shares subject to the Market Stand-Off, or into which such Shares thereby become convertible, shall immediately be subject to the Market Stand-Off. In order to enforce the Market Stand-Off, the Company may impose stop-transfer instructions with respect to the Shares until the end of the applicable stand-off period. The Company's underwriters shall be beneficiaries of the agreement set forth in this Section 7. This Section 7 shall not apply to Shares registered in the public offering under the Securities Act.

9. **Adjustments to Shares.** If, from time to time, during the term of the Vesting Schedule there is any change affecting the Company's outstanding Shares that is effected without the receipt of consideration by the Company (through merger, consolidation, reorganization, reincorporation, dividend, dividend in property other than cash, unit split, liquidating dividend, combination of shares, change in corporation structure or other transaction not involving the receipt of consideration by the Company), then any and all new, substituted or additional securities or other property to which Grantee is entitled by reason of Grantee's ownership of Shares shall be immediately subject to the Vesting Schedule and be included in the word "Shares" for all purposes of the Vesting Schedule, Right of First Refusal and Involuntary Transfer Right, with the same force and effect as the Shares presently subject to the Vesting Schedule, Right of First Refusal and Involuntary Transfer Right, but only to the extent the Shares is, at the time, covered by such Vesting Schedule, Right of First Refusal or Involuntary Transfer Right.

10. **Securities Laws.** Grantee understands that (i) the Shares have not been registered under the Securities Act by reason of a specific exemption therefrom, that the Shares must be held by Grantee indefinitely, and that Grantee must, therefore, bear the economic risk of such investment indefinitely, unless a subsequent disposition thereof is registered under the Securities Act or is exempt from such registration. Grantee further understands that the Shares have not been registered under the "blue sky" laws of any state.

11. **Restrictive Legends and Stop-Transfer Orders.**

a) **Legends.** The certificate or certificates representing the Shares shall bear the following legends (as well as any legends required by applicable state and federal corporate and securities laws):

Agreement, and Grantee shall promptly surrender any certificate(s) evidencing the Shares so purchased to the Company for transfer or cancellation. In furtherance of, and not in limitation of the foregoing, if Right of First Refusal is exercised in accordance with the terms of this Agreement and the Company makes available the consideration for the Shares in respect thereof, then the person from whom such Shares are purchased shall no longer have any rights as a holder of the Shares (other than the right to receive payment of such consideration). Such Shares shall be deemed to have been purchased, whether or not the certificate(s) for such Shares have been delivered to the Company or the consideration for such Shares has been accepted.

13. Section 83(b) Election.

a) Grantee understands that Section 83(a) of the Internal Revenue Code of 1986, as amended (the “**Code**”), taxes as ordinary income the difference between the amounts paid for the Shares and the fair market value of the Shares as of the date any restrictions on the Shares lapse. In this context, “restriction” means the vesting period of the Shares, the Involuntary Transfer Right and Right of First Refusal set forth herein. Grantee understands that Grantee may elect to be taxed at the time the Shares are awarded, rather than upon fully vesting of the Shares, by filing an election under Section 83(b) (an “**83(b) Election**”) of the Code with the Internal Revenue Service within thirty (30) days from the Date of Grant. Even if the fair market value of the Shares at the time of the execution of this Agreement equals the amount paid for the Shares, the election must be made to avoid income under Section 83(a) in the future. Grantee understands that failure to file such an election in a timely manner may result in adverse tax consequences for Grantee. Grantee further understands that an additional copy of such election form should be filed with his or her federal income tax return for the calendar year in which the date of this Agreement falls. Grantee acknowledges that the foregoing is only a summary of the effect of United States federal income taxation with respect to purchase of the Shares hereunder, and does not purport to be complete. Grantee further acknowledges that the Company has directed Grantee to seek independent advice regarding the applicable provisions of the Code, the income tax laws of any municipality, state or foreign country in which Grantee may reside, and the tax consequences of Grantee’s death.

b) Grantee further agrees that Grantee will execute and submit to the Company a copy of the 83(b) Election, attached hereto as **Exhibit B**. RECIPIENT UNDERSTANDS THAT HE MAY SUFFER ADVERSE TAX CONSEQUENCES AS A RESULT OF HIS PURCHASE OR DISPOSITION OF THE SHARES. RECIPIENT REPRESENTS THAT HE HAS CONSULTED WITH ANY TAX ADVISER HE DEEMS ADVISABLE IN CONNECTION WITH THE PURCHASE OR DISPOSITION OF THE SHARES AND THAT RECIPIENT IS NOT RELYING ON THE COMPANY OR COMPANY COUNSEL FOR ANY TAX ADVICE. RECIPIENT HEREBY ASSUMES ALL RESPONSIBILITY FOR FILING SUCH ELECTION AND PAYING ANY TAXES RESULTING FROM SUCH ELECTION OR FROM FAILURE TO FILE THE ELECTION AND PAYING TAXES RESULTING FROM THE LAPSE OF THE REPURCHASE RESTRICTIONS ON THE UNVESTED SHARES.
